To whom It may concern

Dear Sir or Madam:

I am pleased to take this opportunity to extend to you my recommendation of Bishopstrade Boffin software..

We have been using the Freight Forwarding Boffin Version running on Oracle and are very satisfied with the product.

Bishopstrade provided excellent service throughout the installation and maintenance period, with competent and responsive project and logistics management.

We look forward to a long future with them.

If you have any questions or need further information please do not hesitate to contact me.

Yours faithfully,

Ian Olson
